New Business topics:

- **WSDOT-WACA Tech Meeting** will be held on Wednesday, December 3rd. This meeting will be hybrid and in person attendees will come to WSDOT HQ Materials Laboratory.

Recording Time Stamp: 0:00 to 3:21

Notes:

- *Donny will provide a spreadsheet to be filled out and returned within 3 weeks of the next WACA meeting to set up the sign in sheet and badges for access to the State Materials Laboratory.*
- *State Materials Laboratory
1655 S. 2nd Ave SW
Tumwater, WA 98512*
- **Cement / CAPS Program Update:** Katie Dafoe / Steve Davis update.
Recording Time Stamp: 3:21 to 4:10
Notes:
 - *Everything has been submitted and is good.*
- **E-Ticketing, E-Construction and Industry Guidance on using RCA in Construction:** Ryan Zakerski and Wendy Stroschein, update.
Recording Time Stamp: 4:10 to 5:21
Notes:
 - *Introduced Ryan Zakerski stated that there is not much of an update on E-ticketing.*
 - *E-construction – Wendy stated that there is nothing to report.*
- **RCA Tier 4 Update:** Donny Henderson & Garrett Webster.
Recording Time Stamp: 5:21 to 6:28
Notes:
 - *The GSP should be published by March 17th.*
- **GSP for Concrete:** Donny Henderson
Recording Time Stamp: 5:21 to 6:28
Notes:

WACA/WSDOT Meeting Agenda

For Wednesday, March 5, 2025

- *The GSP for concrete has some revisions that need to be made but is not ready for distribution yet.*
- **Questions from WAPA: Steve Davis Update.**
Recording Time Stamp: 6:28 to 28:07
Notes:
 - *Meetings with industry to discuss specifications and possible updates.*
- **Industry Questions:**
Recording Time Stamp: 28:07 to 40:46
Notes:
 - An updated Contact List for each region – phone tree / responsible personnel so our members know who to contact.
 - *Work with the PEO administering the contract to get proper contact information. With all the movement between offices points of contact change on a regular basis.*
 - *Provide as part of the agenda and meeting minutes the updated RME list for each region.*
 - Process for vetting/including a new product in the WSDOT approved products/mix designs, etc.
 - *Products that are submitted for either a New Product submittal or Qualified Products List submittal are evaluated and approved by Subject Matter Experts.*
 - *Industry will communicate with WSDOT to set up meetings to review topics and possible revisions.*
 - Any plans WSDOT has for EPD's and clarity on whether WSDOT is going to go the GWP reduction route.
 - *No direction on whether WSDOT will go the GWP reduction route.*
 - *Involve industry in these conversations if and when they occur.*

No Update:

- **Synthetic Fiber Reinforced Bridge Deck Concrete Update: Anthony Mizumori**
Recording Time Stamp: 40:46 to 41:10
Notes:
 - *Discussed second pilot project and that it is under construction but decks are not poured yet with a third project on the way.*
- **Discussion on Global Warming Potentials (GWPs) for Portland Cement: Update**
- **Naturally Occurring Asbestos in Aggregates: Update**
- **RCA on WSDOT projects.**
Recording Time Stamp: 45:18 to 47:49
Notes
 - *Donny asked industry to provide questions and topics to discuss so that we can circulate it around to find the correct individuals to discuss this with.*
- **Use of RCA in Concrete Greater than 3000 psi. Update**
Recording Time Stamp: 47:49 to 49:15
Notes
 - *Discussed setting up a meeting with a smaller group to discuss the details of this and get the correct individuals involved.*
- **Additional comments / discussion:**
Recording Time Stamp: 49:15 to 50:42
Notes

WACA/WSDOT Meeting Agenda For Wednesday, March 5, 2025

- *Discussion on better collaboration between WSDOT and industry on relatable topics.*

Old Business: The topics listed below will be removed from future meeting agendas unless there needs to be additional discussion or there is an update regarding these topics.

- **FHWA Low Carbon Construction Materials (LCTM) Grant and Climate Challenge**

Update: Update from Mohamed Nimeri.

Recording Time Stamp: 41:10 to 45:01

Notes

- *Mohamed is no longer with WSDOT but he did provide an updated PowerPoint before he left that I can provide to anyone that is interested.*
 - *Introduced Karen Carlie and she discussed the stat of the LCTM grant and Climate Challenge update.*
- **WSDOT T113 Degradation Test Method update and discussion.**
